Direxion Completes Transfer of Exchange Listing of NASDAQ-100® Equal Weighted Index Shares

NEW YORK, December 29, 2022 – Direxion today confirmed the transfer of the listing of the [Direxion NASDAQ-100® Equal Weighted Index Shares](#) (Ticker: QQQE) from NYSE Arca to Nasdaq. No shareholder action is expected because of this change, nor is the transfer expected to affect the trading of fund shares.

The Direxion NASDAQ-100® Equal Weighted Index Shares seeks investment results, before fees and expenses, that track the NASDAQ-100 Equal Weighted Index. QQQE provides equal-weight exposure to all NASDAQ-100® Index holdings, allowing for managed portfolio risk through a broader diversification beyond technology sector stocks, which may help reduce concentration risk and greater performance contribution from companies with smaller market capitalization.

About Direxion:

Direxion equips investors who are driven by conviction with ETF solutions built for purpose and fine-tuned for precision. These solutions are available for a broad spectrum of investors, whether executing short-term tactical trades, or investing in thematic strategies. Direxion's reputation is founded on developing products that precisely express market perspectives and allow investors to manage their risk exposure. Founded in 1997, the company has approximately \$22.1 billion in assets under management as of September 30, 2022. For more information, please visit www.direxion.com.

There is no guarantee that the Funds will achieve their investment objectives.
