Direxion Shares Risks – An investment in each Fund involves risk, including the possible loss of principal. Each Fund is non-diversified and includes risks associated with the Funds' concentrating their investments in a particular industry, sector, or geographic region which can result in increased volatility. The use of derivatives such as futures contracts and swaps are subject to market risks that may cause their price to fluctuate over time. Risks of each Fund include Effects of Compounding and Market Volatility Risk, Leverage Risk, Market Risk, Counterparty Risk, Rebalancing Risk, Intra-Day Investment Risk, Other Investment Companies (including ETFs) Risk, Cash Transaction Risk, Passive Investment and Index Performance Risk, and risks specific to investment in securities of gold and silver mining companies and the mining and metal industry. Because the Funds' Index is concentrated in the gold mining industry and may have significant exposure to assets in the silver mining industry, the Funds will be sensitive to changes in the overall condition of gold- and silver-related companies. Competitive pressures may have a significant effect on the financial condition of gold- and silver-related companies. In addition, for the Direxion Daily Gold Miners Index Bull 2X Shares, Daily Index Correlation Risk, and for the Direxion Daily Gold Miners Index Bear 2X Shares, Shorting or Inverse Risk and Daily Inverse Index Correlation Risk. Please see the summary and full prospectuses for a more complete description of these and other risks of each Fund.

Index – MarketVector Global Gold Miners Index is a rules-based, modified capitalization-weighted, float-adjusted index intended to give investors a means of tracking the overall performance of companies that are involved primarily in the gold and silver mining industry.

These funds track a commodity related equity index, consisting of a basket of gold miner related stocks. They do not invest in physical commodities and should not be expected to directly track the price performance of gold.
